

HONG XIAN, PhD

RESEARCH FUNDING (CURRENT):

Co-Investigator, VA, "Pain Among Gulf War Veterans: Secondary Analysis of CSP #458 Data", Dr. Seth Eisen, P.I., 10/01/04-3/31/08; total direct cost: \$387,600.

Co-Investigator, NIH/NIA R01-AG022982-01, "The VETSA Longitudinal Twin Study of Cortisol and Aging", Dr. William Kremen, P.I., 6/01/04-5/30/08; total direct cost: \$2,011,015.

St. Louis Site Principal Investigator, NIH/NIA R01-AG022381-01, "The VETSA Longitudinal MRI Twin Study of Aging", Dr. William Kremen, P. I., 9/15/03-6/30/08; total direct cost: \$4,045,832,

Co-Investigator, NIH/NIA R01-PA98076-01, "A longitudinal Twin Study of Cognition and Aging", Dr. William Kremen, P.I., 9/15/03-8/31/07; total direct cost: \$2,602,818.

Co-Investigator, NIH/NIMH R01-MH60426-01A1, "Pathological Gambling: Courses, Consequences, and Causes", Dr. Seth Eisen, P.I., 7/1/00-6/30/07; total direct cost: \$1,950,000.

RESEARCH FUNDING (PENDING):

Principal Investigator, NIH/NIDA R01DA020810-01, "Environmental Risks for Smoking: A Genetically Informed Children of Twins Design", submitted 7/01/06; total direct cost: \$525,000; Priority score: 135, percentile: 7.6; Funding expected on 04/01/07.

Co-Investigator, VA Clinical Science R&D, "Using VA Databases to Identify Drug AE's & Their Health and Cost Impact", Dr. Seth Eisen, P.I., submitted 7/15/06; total direct cost: \$694,600; Priority score: 18.1; Funding expected on 01/15/07.

Co-Investigator, NIH/NIA, "VETSA II: A Longitudinal Twin Study of Cognitive Aging", Dr. William Kremen, P.I., submitted 7/1/06; total direct cost: \$3,929,629

RESEARCH FUNDING (PAST):

Co-Investigator, NIH/NIDA R01-DA014363, "Gene-Environment in Outcomes of PsuD Twins' Offspring". Dr. Kathleen Bucholz, P.I., total direct cost: \$3,219,086.

Co-Investigator, NIH/NIAAA G01-AA-11822, "Adolescent COA's: A Twin Family Design", Dr. William True, P.I., 5/01/98-4/30/04; total direct cost: 2,031,213.

Principal Investigator, NIH/NIDA R03-DA13486-01, "Smoking Cessation: The Role of Withdrawal and Dependence", 7/01/00-6/30/02; total direct cost: \$100,000.

Principal Investigator, American Cancer Society Institutional Research Grant (IRG-58-010-43), “The Impact of Nicotine Withdrawal and Dependence on Failed Smoking Cessation: The Role of Genetic and Environmental Factors”, 1/01/99-12/31/01; total direct cost: \$20,000.

Co-Investigator, NIH/NIAAA R01-AA10586, “Twin Study of Vulnerability to Alcoholism”, Dr. Michael Lyons, P.I., 4/01/96-3/31/01; total direct cost: \$2,663,614.
